

## COUNTY SHERIFF – Airport Security

---

### Activity Overview

The County Sheriff – Airport Security Department was established to track revenues and expenses associated with services provided at Gallatin Field. The County Sheriff provides services as required in a contract negotiated with the Airport Authority.

The contract supports the hiring of four (4) full time sworn officers, along with the equipment, overtime and support funds needed. The contract is open of funding on a yearly basis. The general taxpayer does not support this activity other than for normal Administrative Support from the Sheriff's Office.

**Mission:**

As Proud Members of this office we are dedicated to Protect & Serve Gallatin County

**Vision Statement:**

Enhance the quality of life of Gallatin County through service and innovation from dedicated Law Enforcement professional.

**VISION OUTCOME:**

- Increased visibility
- Decrease and deter crime
- Enhanced community relations
- Advanced technical & personal skills.

FY 07 Budget includes the addition of \$8,000 for an office at the Airport. This will enhance the services available to the Airport and allow the County to have a satellite office in the fastest growing area of the county at no cost to the general taxpayer.

The FY 07 budget includes the continuation of the vehicle replacement program started in FY 98. This program plans for replacement of vehicles on a scheduled basis by assuring the department that the Fleet Replacement Capital line item is included as part of the budget calculations. A major cost increase for the program was the inclusion of Mobile Data Terminals (MDT's) at a cost of \$10,000 per vehicle.
